

Rosemarie Perla, MS, MA, PCC

Bio

Rosemarie Perla, a Professional Certified Coach and Consulting Psychologist, works with Executive Leaders on positively impacting the 21st century changing and diverse work places through energizing and supporting desired or pursued cultural change. She coaches Executive Leaders to achieve significant business and career evolvement. Rosemarie brings over 20 years of experience and a knowledge base in behavioral science and human performance, coupled with a passion to assist leaders in transforming their work and their lives. Her experience includes working with business leaders in the Finance realms, Health Care arenas, Higher Education, as well as the fields of Law, Engineering, Architecture and within emerging high tech industries. She has worked with Fortune 500 companies such as PNC Financial Services, CH2M Hill, CBRE and CISCO.

She assists leaders to bridge gaps in their management style to create new, effectual behaviors and avenues of directions – seeing past obstacles to opportunities. Using a systems approach, she assists her clients in developing insights to read cultural shifts toward desired team integration and productivity. Her clients have remarked on her skills in inspiring them to lead in an intentional and positive manner to empower themselves

and their employees.
