Design Pittsburgh is a signature program of AIA Pittsburgh, celebrating excellence in architecture and design, and honoring those who create it. It is our opportunity to publically promote architects as critical resources and industry experts, and demonstrate the importance of good design and design talent in the Pittsburgh region. Through Design Pittsburgh exhibits and events, a variety of audiences gain an understanding of architects' broad expertise. This program provides an opportunity for AIA Pittsburgh members, sponsors, partners, and the public to support and acknowledge the value of architecture and design in the places where they live, work, and play.

As a part of this year's submission criteria, we are asking our members and members of their firms for their support and commitment to this program. We are asking our members to commit to the following:

1. Attend the **Design Awards Ceremony & Gala**. Each firm that enters the competition will receive one discounted admission to these events, both held on **Thursday, October 19th**. Please mark your calendars!
2. Encourage attendance at the Awards Ceremony & Design Gala from the extended project teams that contribute to your project's success, including: consultants, contractors, engineers, and owners, as a recognition of the AIA's commitment to encouraging collaboration as an ideal process to achieve highest quality project outcomes.
3. Encourage and support your firm's attendance at all Design Pittsburgh 2017 events. Including the free mentorship event, Storey Telling on Tuesday, **October 10th**, PechaKucha Night Pittsburgh Vol. 28 on Thursday, **October 12th** and the Design Awards Ceremony & Gala.
