

Design Pittsburgh 2018

Project Information Form

Entry No. _____

(For office use only)

Please complete this form and upload it to your project folder in DropBox. Your entry cannot be processed without this form. Provide all information as requested where applicable.

REMINDER: AIA members and firms whose principal(s) are members of AIA Pittsburgh, or any member of any AIA chapter across the country who has a project in the **11-county area** represented by AIA Pittsburgh can be included in the design competition. However, all projects **MUST** have at least one AIA Pittsburgh architect on the project team. All submissions for the AIA Pittsburgh Design Awards Competition can only be submitted by an AIA Pittsburgh architect.

NEW THIS YEAR: In an effort to implement what we value, AIA Pittsburgh will recognize the names/ companies of all key project team members who collaborated on design award submissions. Please complete this form in a way that reflects the full team that contributed to your project.

PROJECT CATEGORY *(Please select main category and you may additionally select S+R for consideration in that category as well)*

- | | |
|-------------------------|-----------------------------|
| Architecture | Design + Innovation |
| Small Project | Interior Architecture |
| Regional + Urban Design | Sustainability + Resilience |

In order to further our program messaging we are asking that all entrants respond with 2-3 sentences about the intent behind each project. This information will be shared with the public and could answer questions like the following: How did you solve a design problem? What experience(s) did you intend to create? How does your design make an impact?

Please include other consultants/companies that are applicable to this project. Such companies may include but are not limited to brick, carpeting/flooring, concrete, doors, elevators/escalators, HVAC, kitchen equipment, landscaping, lighting, paint, plumbing, roofing, seating, structural elements/systems, tile/terrazzo, wall coverings/materials, and windows.
