

Build Pittsburgh 2019

SPONSOR & EXHIBITOR OPPORTUNITIES

Build Pittsburgh, AIA Pittsburgh's annual continuing education conference and exhibitor show, brings together a community of architects and build industry professionals to engage in a full day of institutional learning. The largest, best-attended continuing education event in our region, Build Pittsburgh also provides an opportunity to interact, network, and connect with the design and build industry professionals. Last year over 400 design/build professionals attended Build Pittsburgh.

April 23, 2019 | Sheraton Station Square

Build Pittsburgh will consist of one full day of continuing education with opportunities to present Lunch & Learn presentations. Additionally, Build Pittsburgh 2019 will feature a keynote address, an exhibitor show that runs throughout the day, and a post-conference networking reception.
