

Tami P. Greene, AIA
Associate/Senior Project Manager

Recently named an Associate of IKM, Ms. Greene is the highest ranking female professional at the firm, she is a registered architect and senior project manager. During her years with firm, Tami has spent much of her time on healthcare design and has a personal, professional focus on Healthcare Design for Women. Ms. Greene brings her 15+ years of experience to managing some of IKM's most complex projects; managing elaborate project teams to exceed client goals; and, managing IKM's staff resources to achieve the firm's project and fiscal targets.

Along with her design and management responsibilities, Ms. Greene leads the IKM Intern Development (IDP) and Mentoring program and serves as a mentor/supervisor to several of IKM's graduate/intern architects. Most recently, under her leadership, the firm was one of the eleven in the United States to be awarded an IDP Firm of the Year by AIA National. As a result she was invited to serve as IDP Auxiliary Coordinator, becoming a liaison between National and Local chapters on IDP updates.

Ms. Greene is currently registered in Pennsylvania and holds a National Council of Architectural Registration Board (NCARB) certification. She is also a member of the American Institute of Architects Pittsburgh Chapter; Rotary Pittsburgh; and, the newly formed Women in Design. Ms. Greene graduated with honors from Kent State University with a Bachelor of Science and a Bachelor of Architecture and Environmental Design.
