

Michael McDonnell, AIA
Principal, Chief Operating Officer

Mr. McDonnell is the design principal for IKM and has responsibility for carrying out the firm's mission to promote innovative and informed architecture that positively impacts the world through design leadership in understanding, exploration, and decision making. In addition to design oversight, Mr. McDonnell serves as the firm's Chief Operating Officer and is charged with executing the firm's vision to be recognized for excellence in institutional and corporate architecture and design.

Mike's career has centered on technically complex projects where the convergence of organizational vision and individual creativity yield buildings of extraordinary value. In 2006, Mike was the youngest of 5 partners to accept an ownership role in the firm and has since focused his energies on staff development and leadership growth.

He is an Honors Graduate of Carnegie Mellon University School of Architecture and was the first in the firm to complete a year-long community leadership program organized by Leadership Pittsburgh, Inc., (LP-XXVI).

Mr. McDonnell has been an active member of the township of Upper St. Clair, volunteering his time and expertise to the USC Planning Commission, Development Committee for the Township's Environmental Education Center, and currently serves as Chairman for the USC Building & Fire Codes Appeals & Advisory Board. Mike is also currently serving as 2nd Vice President of AIA Pittsburgh.
