

Justin Miller, AICP

Justin is a Senior Planner for the Pittsburgh Department of City Planning, and leads a wide variety of projects, including zoning changes, policy research, graphic design, neighborhood plans, comprehensive planning, and PGHSNAP, a citywide online data resource. PGHSNAP, was the recipient of a 2010 American Society of Landscape Architects honor award for analysis and planning, and received a “planning excellence award for best practice” from the PA chapter of the American Planning Association that same year. Justin currently serves at the neighborhood planner for the Hill District, Uptown, and Oakland--he also serves on the board of the Oakland Business Improvement District. Current projects Justin is managing include the Uptown/West Oakland Ecolnnovation District and the Bus Rapid Transit plan.
